

August 19, 2009

Dear Parents & Guardians,

This year we are pleased to announce that we will be offering after school program services to students at both Freeport Elementary School and Sac Prep. We are hopeful that you will choose to enroll your child in our “Jump Start” after school program. Currently we are looking to serve 25 kids from grades 1 through 6. Our program is designed to offer tutorial support for your child’s homework and academic needs on site from 3:00pm to 4:30pm. Parents and children will have the option to continue on with the second half of our program at the New Hope Center which is located across the street from Freeport Elementary School. There your children can receive additional tutoring, mentoring, and other extracurricular/recreational activities.

“Jump Start” is an after school program that was started in the Spring of 2009 between New Hope Community Development Corporation (NHCDC) and New Hope Community Church (NHCC). NHCDC is a faith-based non-profit started by NHCC with the goal of supporting families in the South Sacramento area. Our program is designed to be intimate where we encourage a low staff to student ratio so that your kids can receive greater attention and support. We hope to establish long term relationships with your child, you the family member, and the teachers which work with your kids on a daily basis to help ensure success. Part of what makes our program unique is that we also offer the option to you and your child a curriculum that stresses character development and spiritual growth. We believe that kids need not only to grow in knowledge but also to grow in heart.

Our program takes places from Tuesdays through Thursdays. On Fridays, your child will have the option of participating in recreational activities and church-based fellowship programs from when school gets out until 5:00pm. If you have further questions please feel free to contact Dorcas Chung our assistant program director at 916-769-4211.

Jump Start will begin on September 1. Enclosed with this letter is a registration form along with our brochure. If you are interested in having your child participate, you will need to fill out the registration form. In addition we would like to meet with you the parent/guardian & child so we can know how to better support you. On your registration form, please indicate when you might be able to meet. On Wednesday August 26 at 6:00pm -7:00pm, we will be available at the New Hope Center located across the street from Freeport Elementary at 1821 Meadowview Rd. On Thursday August 27 from 4:00pm – 5:00pm, we will be available to meet at Freeport Elementary School at the Sac Prep main office. If either of these times are inconvenient for you, please indicate when we can call you so we can arrange a conference call or another time to meet. Please submit the registration form to either Principal Nelson or Mr. Hernandez.

There is an annual fee of \$20 which goes towards supplies & outings we will do throughout the year. Financial assistance is available upon request.

Again we thank you for your time and look forward to working with you and your child.

Sincerely,

Enoch Yeung  
CEO/President
